EDH EFFICIENT DECKHAND

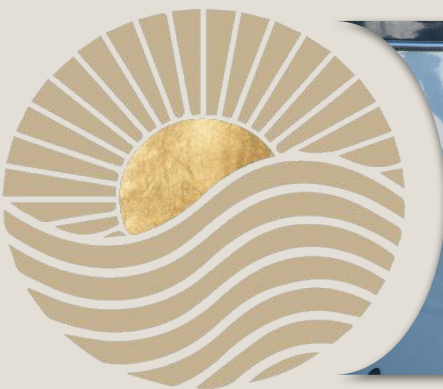

The EDH course is a requirement for all MCA certificates of competency, with the exception of Master 200.

It is also an integral part of the Able Seafarer and Officer of the Watch (OOW) certifications.

A certificate of successful completion of an Efficient Deck Hand (EDH) Course is a requirement for the MCA Yacht Officer of the Watch (OOW) (3000gt) Certificate of Competency (CoC).

Although candidates may sit the OOW oral exam beforehand, the EDH certificate must have been held for 18 months in order for the CoC to be issued.

Similarly, although the EDH course can be attended beforehand, certain mandatory requirements must be met before an EDH Certificate may be issued.
